DAZZ TECH PVT. LTD.

An Ethical Direct Selling Company

www.dazzkart.com

About Us

Dazz Tech Private Limited, we are dedicated to providing high-quality health, wellness, and lifestyle products while helping individuals build their own independent business careers.

Our journey achieved its first official milestone in **2023** when we registered our company under the Ministry of Corporate Affairs (MCA), Government of India. We established our foundation with a clear goal: to combine trusted, quality-tested products with a fair and completely transparent direct selling business model.

At the center of our growth is our strong network of independent distributors, proudly known as **Team Dazzians**. Together, we work closely with consumers who value pure ingredients and honest results. For us, following government regulations and building genuine trust are our top priorities.

Thank you for choosing Dazz Tech Private Limited, and welcome to a bright future of growth and opportunities!

Mission

Through the direct sale of high-quality, internationally certified **Healthcare and Wellness Products**, we are committed to reaching every home in **India** and improving their lives. Our mission is to provide our independent **Direct Sellers (Distributors)** with an ethical, transparent, and product-centric business opportunity, where their income is generated solely from the actual sale of goods and services to customers.

Vision

By 2030, to establish **DAZZ TECH** as **India's Most Trusted and Ethical** company in the direct selling industry, contributing to the creation of an empowered nation by providing millions of Indians with optimal health, financial independence, and a dignified lifestyle, where every success is solely based on **genuine customer satisfaction** and product sales.

Contract Agreement

- It will be mandatory for the Direct Seller to carefully read and accept all the Terms & Conditions before joining the company.
- These terms and conditions are also published and readily available for review on the company's official website at (https://www.dazzkart.com).

Business Conduct

- The Direct Seller must always conduct business with honesty, integrity, and ethics.
- They shall not be allowed to make any misleading or false claims about the company's products, services, business plan, and earning potential.

Business Volume

- The basis for commission is not the product's selling price but the Business Volume (BV) accumulated by you and your team.
- The entire company distribution and payout structure—which includes all team bonuses, leadership bonuses, and rank promotions—depends on the calculation of this total BV earned.
- In short, your profit and income are directly linked to how much Business Volume you and your downline have collectively achieved.
